Celebrating 100 th Anniversary of

Albert Einstein's miraculous year with UNESCO

For

***WORLD YEAR OF PHYSICS 2005***

1) " The Universe in Our Hands (The Theory of Everything)" is the title of the book. It is the easy version

2) To celebrate 100th Anniversary of Albert Einstein's Miraculous Years with UNESCO for World Year of

3) Some interesting parts of the book are as follow;

## PREFACE

.....

What will be talked about in this book is what I had written in the scientific paper

.....

It is expected that you have read "A Brief History of Time" and "The Universe in

.....

Finally, to celebrate 100th Anniversary of Albert Einstein's Miraculous Years with

## CONTENT

### **1. Dream of Mankind (Like You and Me)**

- 1.1 Sir Isaac Newton and the apple.
- 1.2 James Clerk Maxwell and mobile telephones.
- 1.3 To stay young with Albert Einstein.
- 1.4 Einstein and black holes.
- 1.5 Quantum Mechanics a mysterious theory.
- 1.6 The final theory of God!

### **2. Nightmare of Modern Physicists**

- 2.1 Einstein and the apple!

- 2.2 The magic waves of mobile telephones!
- 2.3 Could we really stay young with Einstein?
- 2.4 Curve space of nothingness!
- 2.5 Quantum mechanics with ghost waves!
- 2.6 Could we found God's final theory?

### **3. The Secret of the Apple**

- 3.1 The miracle of nothingness!
- 3.2 One more (sweet) dream please.
- 3.3 When dream comes true.
- 3.4 Black hole and the apple.

### **4. Awakening and Return to Reality**

- 4.1 Billions of black holes.
- 4.2 When black holes were tamed!
- 4.3 The universe in our hands

### **5. Completing Einstein's Special Theory of Relativity**

- 5.1 Here comes Galileo Galilei!
- 5.2 H. A. Lorentz a hero in the back screen.
- 5.3 The return of Newton!

### **6. Completing Einstein's General Theory of Relativity**

- 6.1 Curve space of something!
- 6.2 The universe of nothingness!

### **7. Completing Quantum Mechanical Theory**

- 7.1 Quantum mechanics with God waves!
- 7.2 Quantum and Relativity could be married now!

### **8. The Heaven's Gate is Opened**

- 8.1 Physics of God!
- 8.2 Animals in God's zoo!
- 8.3 The mercy of God!

## **CHAPTER 8 THE HEAVEN'S GATE IS OPENED**

.....

Up to now, we come to the final chapter. Let us conclude what we have done in

## 8.1 Physics of God!

.....

In conclusion, we could **gravity** the theory of everything as the low energy limit of a grand unified theory. The universe is expanding.

.....

How about something outside our world? Up to now, we know that matter in all parts of the universe is made of the same stuff.
